

PRINCIPLES

TWOOSH policies are created and documented to meet legal obligations and to support any family feedback regarding TWOOSH operations.

We review our policies regularly to ensure they are current, reflect what the Management Committee and Educators believe is appropriate, and provide a good communication tool for families and Educators.

In relation to the procedures section:

- ◆ Procedures are reviewed annually by the TWOOSH Leadership Team following the same schedule as the Management Committee policy review process
- ◆ The TWOOSH Leadership Team may make changes to the procedures section of the TWOOSH policies as long as the procedures remain consistent and comply with the rest of the policy.
- ◆ Suggested changes to procedures will be visible (marked as tracked changes) to the Management Committee when they review the policies.
- ◆ If changes are required outside of review period this will be communicated to the Management Committee.

Policy identification and version control

Each policy document should be clearly identifiable, versioned and include a version history for each review (review date, initials of policy reviewer/s).

PROCEDURES

Schedule

- ◆ The Policy Coordinator will propose a policy review schedule to the Management Committee during a committee meeting.
- ◆ If required, the Management Committee may also commission a new policy.
- ◆ The Director will inform TWOOSH families of accepted schedule items for review and commissions for new policy, with an invitation for families to contact the Policy Coordinator to provide input if they wish.

Review

- ◆ Prior to the planned review start date, the Policy Coordinator will distribute the existing policy to the nominated policy reviewers.
- ◆ The reviewers will be responsible for making any suggested changes in the policy document and return it to the Policy Team.
- ◆ The Policy Team will be responsible for updating the policy based on the received feedback and distributing the final draft to all Management Committee members the week prior to the Committee meeting.
